Contemporary townhouse close to the center

High quality townhouse walking distance to the center of Tavira. Sits on a good size plot with plenty of outside space and with the possibility of building a pool. The house has approx.. 280 sqm and has 3 bedrooms, 4 bathrooms, living room, kitchen and winter room on the top floor with access to a large terrace with very nice views. Also has a large closed garage. A very good property to live all year around. Good investment.
