Unique luxury apartments

In a very good location, close to the country side, the sea and shops, these 6 apartments will set “apart from crowd” when it comes to property in the Tavira area. There will be 2 blocks side by side and south facing with sea views, each with 3 apartments and all with different sizes and layouts. There will be five apartments with three bedrooms and one with four bedrooms. All will have excellent private outside space, access to pool and underground private parking. A truly unique project in the Eastern Algarve with very few available units. Please contact us for further information.
