Luxury modern villas with pool

Spacious modern villas built to high quality standard and good taste. Located in small village with all amenities, country side and sea close by. Tavira town is only 5km away and there is public transport close by.

This is a small area with only 4 similar villas, all with good size plots between 365sqm and 475sqm. They will all have plenty of outside space, private pool and car port, all walled and with electric gates.

The houses will be south facing to take full advantage of the sun exposure and bring in plenty of natural light. The internal area for each house will be 200sqm plus 40sqm terrace with sea views on the first floor and, above a 60sqm roof terrace, also with sea views. Special care and attention has been given to the interiors with open plan areas, tall interior doors, fully equipped kitchens and high quality big patio doors and much more.
