It's all in the details...

Contemporary style villa built to a high comfort level with quality materials. The villa has been ideally planned to fit with the surrounding area, exploring the privacy of all indoor and outdoor areas. It's located in a residential area only 2km from the Roman Bridge.

The villa is built on a plot with 995sqm with a salt water pool with 8x4,5mt with suspended floor around it, a BBQ area, space for garden and access to the double garage and storage areas in the basement. On the ground floor you will find the entrance, large living room with dining area, fully fitted and equipped kitchen with high quality appliances, a guest toilet with shower, and a bedroom with en-suite bathroom. On the first floor there are two extra bedrooms both with en-suite bathrooms and access to terraces. The large bedroom has an independent entrance via an exterior staircase giving it more possibilities of usage.

The property is in the final stages of completion and, comes equipped with many features that give
