High quality private resort for quality of living

Beautifully designed resort near Carvoeiro, where no details have been overseen, from the garden areas, pool area, sun exposure of each individual property, interiors, etc.. The Mediterranean garden is fully automated and surrounds the sunny salt water heated pool! A very well designed resort, with reception and offering full security to it's residents.

There are 22 townhouses, finished to the highest standard and they all come furnished in a contemporary, modern style.

On the ground floor you will find an entrance hall, a guest toilet, a storage room, and the lounge/dining area with the open-plan fully fitted kitchen equipped with high quality kitchen appliances. Sliding French doors open up onto a spacious terrace with outdoor dining area.

The first floors comprises two bedrooms with en-suite bathrooms and a private terrace with access from one of the bedrooms.

These area ideal for all-year round living, with a high comfort level that includes under floor heating
