condominium.

Tavira Gardens is a very popular area for holidays or all year round living. Busy in the summer with great rental potential and nice and quiet in the winter but still with a number of people living there. Well maintained garden areas make Tavira Gardens probably the condominium with the nicest exterior common areas in Tavira. There is an on-site coffee-shop / restaurant. Two very nice pools, a tennis-court and a gym make it the ideal place to enjoy the long sunny days. Condominium fees are only 78 euros per month.

The distance to the closest super-market and coffee shop is only 400 meters. Gran Plaza shopping center is 800 meters and the Roman Bridge only 1,5kms.
